

Doral Series

The Doral Series delivers reliable ergonomic support with a compact design ideal for petite-to-average users. With multiple adjustment options and upgradeable back sizes, it’s a versatile choice for industrial, lab, ESD, and cleanroom settings.

- Compact production-style back offers targeted lumbar support
- Optional medium back upgrade for expanded support
- Contoured seat with waterfall edge promotes lower body circulation
- Durable scuff-resistant back pan protects upholstery
- Available in 2-, 3-, or 4-way control configurations
- Fabric and vinyl upholstery meet key safety and hygiene standards
- Sturdy 5-leg base and 18″ adjustable chrome footring on mid/tall models
- Optional ESD and ISO 5 cleanroom models, or combined ESD/cleanroom configurations available
