

Castors

Selecting the right castors for your workstation or cart is crucial. Larger castors make it easier to maneuver and handle obstacles, while quality tread ensures durability. Swivel castors enhance maneuverability, especially in tight spaces. Using four swivel castors aids in load control. Strong castor brakes keep the workbench or cart securely in place. Castors also play a significant role in reducing start forces, minimizing rolling resistance, and ensuring ergonomic efficiency.

Castors (17)

Code	Product	GTIN	Width (inches)	Depth (inches)	Height (inches)	Max load (lbs)	ESD	Suitable for clean-room	RAL code	Color name	Net Weight (lbs)	Warranty years	Gross weight (lbs)	Suitable for module	Frame material	Available for the following products	Availability USA
